

# WINTER CLOTHING DRIVE

# 11/01 – 12/13

**\*\*Another way to participate is to attend the Boston College vs Providence College Men’s Basketball game on Saturday, November 25 @ 8pm at the Dunkin’ Donuts Center in Providence and **bring an item listed to receive a ticket/voucher to an upcoming game.** Providence College representatives and bins will be present at the game to receive donations and hand out vouchers.\*\***

Please join us in a drive to collect winter clothing accessories to benefit the Homeless Clinic at the Providence VA Medical Center.

We are looking for new or “lightly used”:

- Blankets
- Gloves/mittens
- Hats
- Scarves

Please keep in mind that when we say “lightly used” we’re looking for items that you would wear. 😊

Donation collection bins will be placed in the front lobby of the RO (more to come on this --- we are hoping to set up collection bins in other areas in the office).

Our Community Partners in this effort are:

- St. Mary’s Elementary School
- Bishop Hendricken High School
- Rhode Island College Veterans Resource Center
- Providence College

**The drive runs until December 13.** Donations will be collected and delivered to the Providence VAMC Homeless Clinic to be distributed to Veterans in need of warm clothing.

Thank you for your generosity!
