Rhode Island Families for School Choice is working to increase the Rhode Island Education Corporate Tax Credit Program from \$1.5 million to \$5 million. Successful passage of this legislation in 2018 will mean more scholarship funds for students in schools like yours. It is important we show the Rhode Island General Assembly that families support this initiative. One way you can help is being present at this event. RIFSC is offering reimbursement on school bus expenses for this event. To register, or for more information, please contact Sheila Konis: sheilamk4@gmail.com
