April 2018

Dear Parents:

St. Mary School will hold its *Tenth Annual Olympic Day* on Friday, May 25 (rain date Tuesday, May 29). Olympic Day is a cooperative effort of students, faculty, staff, and parents of St. Mary's. This fun-filled day is filled with many team events.

**We are adding a week of academic activities relating to the countries. Students in Grades 3-8 will be involved in an interdisciplinary unit including all academic areas. Students will research their country and complete projects/tasks involving that country. They will travel with their teammates from classroom to classroom to work on the tasks in each academic area.**

The **teams for Olympic Day** will consist of students from grades K – 8 (approximately 17 students per team). The faculty and staff (and some volunteer parents) will serve as the coordinators for the team. They will lead the team on Olympic Day.

All events are held on the grounds of St. Mary School. The major goal of this day, in addition to having fun, includes the promotion of cooperation and teamwork; therefore, **all events are team events.**

To make this day as successful as possible, **WE NEED PARENT VOLUNTEERS!** Volunteers are needed to serve as judges, timekeepers, scorekeepers, setting up and serving snacks and lunch. **Please fill out the bottom portion and return to school if you can volunteer.**

As part of Olympic Day, a school wide cookout is held. Irene & Carlos Villavicencio have graciously agreed to organize the food area and Tracey Henebury is working on getting some of the food donated and purchasing the rest. The remaining cost will be taken care of by the PTG; therefore, there will be no charge for the cookout. The children will have hotdogs, hamburgers, veggie burgers, chips and lemonade for lunch. Snacks, water, and fruit are provided for the children throughout the day. The day would not be complete without ice cream!

Through the generosity of the PTG, we will be purchasing and designing T-shirts for all students to wear on Olympic Day. They will be sent home with washing instructions prior to Olympic day.

As always, we are grateful for your continued support and cooperation throughout the year.

Ms. Lepore
