RE: WEEKLY MEMO

---

Father Ledoux will celebrate his 25<sup>th</sup> Anniversary of Ordination to the Priesthood on Sunday, June 10 at the 11:00 AM Mass. Please join us at Mass as we celebrate our wonderful Pastor! We would like to have a strong school presence at Mass. As we are representing the school, students should be in their school uniform.

**This afternoon, the parking lot in the back will be unavailable for pick up, as the tents for Father Ledoux's celebration are being delivered. We will dismiss all students via the front door. Please be patient!**

I have received several calls from our neighbors about the driving on Vallone Drive and St Mary's Drive. Please slow down and please be courteous and respectful to our neighbors.

We are looking to see if there is enough interest at the Middle School level to have a Tennis Team next year. Practices would begin in July so we need to see if we have enough for a team. We would also like to offer practices to the students in Grades 4 & 5 although there is no league or teams for them to play, they would get the benefit of the practice time.

We are also looking to see if we can begin Cross Country again (although for this I need a coach). Students in Grades 4- can participate.

Please let me know if you are interested in coaching and/or if your child is interested in either sport.

Students will come home next week with Summer Reading packets and a supply list for next year. The students have been working with a program called IXL for the last few months, however, that was on a trial basis. That will end soon and we have purchased the program for the students to work on Math skills over the summer. In the next few weeks you will receive an email asking you to set up the account for your child. While the older students do have their own email addresses I felt better sending the initial contact to your email address.
