
ST. MARY SCHOOL

DATE: JUNE 18, 2018
TO: PARENTS/GUARDIANS
FROM: MS. LEPORE
RE: WEEKLY MEMO

Thank you to all who came to celebrate Father Ledoux's 25 Anniversary Mass. A very special thank you to those students who came to sing for him! It was very much appreciated and we received many compliments!

If your child still has a basketball or volleyball uniform, please drop it off at the school.

Miss Jordan, our PreK 3 teacher has decided to leave us and look for a full-time position. We would like to thank her for her time with us and wish her well in her new endeavor.

We are looking to see if there is enough interest at the Middle School level to have a Tennis Team next year. Practices would begin in July so we need to see if we have enough for a team. We would also like to offer practices to the students in Grades 4 & 5 although there is no league or teams for them to play, they would get the benefit of the practice time.

We are also looking to see if we can begin Cross Country again (although for this I need a coach). Students in Grades 4- can participate.

Please let me know if you are interested in coaching and/or if your child is interested in either sport.

Students came home with Summer Reading packets and a supply list for next year. The students have been working with a program called IXL for the last few months, however, that was on a trial basis. That will end soon and we have purchased the program for the students to work on Math skills over the summer. In the next few weeks you will receive an email asking you to set up the account for your child. While the older students do have their own email addresses I felt better sending the initial contact to your email address.

Our first day of school for the 2018-19 school year is Thursday, August 30 for all students in Prek – Grade 8.

To those families that will be leaving us this year – we wish you well and hope that you come back to visit! To our returning families – you will receive emails from me during the summer.

Our Float Meeting is Wednesday, June 20 at 5:30 and our final PTG meeting for the year is at 6:00 PM.

The eighth-grade class will hold its first car wash this Saturday from 9:00 -3:00 in the church parking lot! Please come out and support them!

We are looking for a part-time Math teacher for Grades 6-8. Please let me know if you have someone interested.

Thank you for allowing us to be part of your child's life this year!

Have a safe summer!

Ms. Lepore
