

Saint Mary School
3rd Grade - Summer Reading

Dear Parents/Guardians,

As we close out another wonderful school year, please take a moment to celebrate all of the successes your child has made this year. Your child has grown in so many ways, including being able to read with more independence and confidence.

In order to keep your child's reading journey going, I ask that he/she complete the following reading assignment:

- Please read **three books** and complete the attached reading log. Feel free to use the suggested reading list to help them choose books that are of interest to them.
- Choose **one book** that was read and complete the attached book report.

Your child can enjoy these books in a variety of ways. They can read the books on their own, listen to an adult read to them, participate in an online reading program, or participate in a reading program at your local library.

I have also included some "Reading Tips" to help both you and your child make the most of their reading this summer.

Have a wonderful and relaxing summer!

~ Mrs. Ellis
