

St. Mary School
Summer Reading
Grade 4

Dear Parents/Guardians:

Summer is finally here! To reinforce the many reading skills that your child has acquired during the school year, we have developed a summer reading requirement.

Although we hope that your child will read as many books as he/she can, four books must be read during the summer vacation and an index card (5x7) must be completed for each book. The index card should list the title, author, and a 1-2 paragraph summary of the book. The index cards which document that your child has completed the summer reading requirement are due on the first day of school. Although we have compiled a reading list of suggested books of varied levels, your child is free to read any book that he/she would like. Most of the books are available in public libraries.

Required:

1. Choose four books to read.
2. Complete an index card for each book. The index card should list the title, author and a 1-2 paragraph summary of the book.

Practice your multiplication tables and write in your journals about your summer activities!

Have a wonderful summer! Enjoy your reading!

Mrs. Eramian

4th GRADE SUMMER READING LIST

This list is designed to give the "to be" 4th grader lots of good reading for summer enjoyment. Books with an * represent the 2001-12 Bluebonnet Book Award Nominees.
