Hi!

I'm Mrs. Warner

Teaching is an absolute passion of mine! I am so excited to work with you and your child! It's going to be a year full of fun, learning, and lots of **adventures** and I can't wait to see what the year has in store for us! I thought you might like to know a little about me.

I am married to a wonderful husband, Eric. We have 2 daughters together, Isabella who is entering first grade and Lily who is entering pre-school 4! They take up most of my free time, but some **hobbies** that I enjoy are cooking, crafting, and biking.

I graduated from Salve Regina University in 2002 with a degree in Education. Since then I have been teaching at various grade levels for 16 years now. I absolutely love teaching kindergarten!

It is my mission to instill **love** for learning in my students. I attempt to teach with passion for my subject so that my students develop a desire to become **life-long learners**.

Kindergarten is such a special year, and I feel so blessed to be a part of it. My main goals are for students to feel successful and to **LOVE** learning! I look forward to a great year together!

A few of my favorites:

Color: Purple

Season: Summer

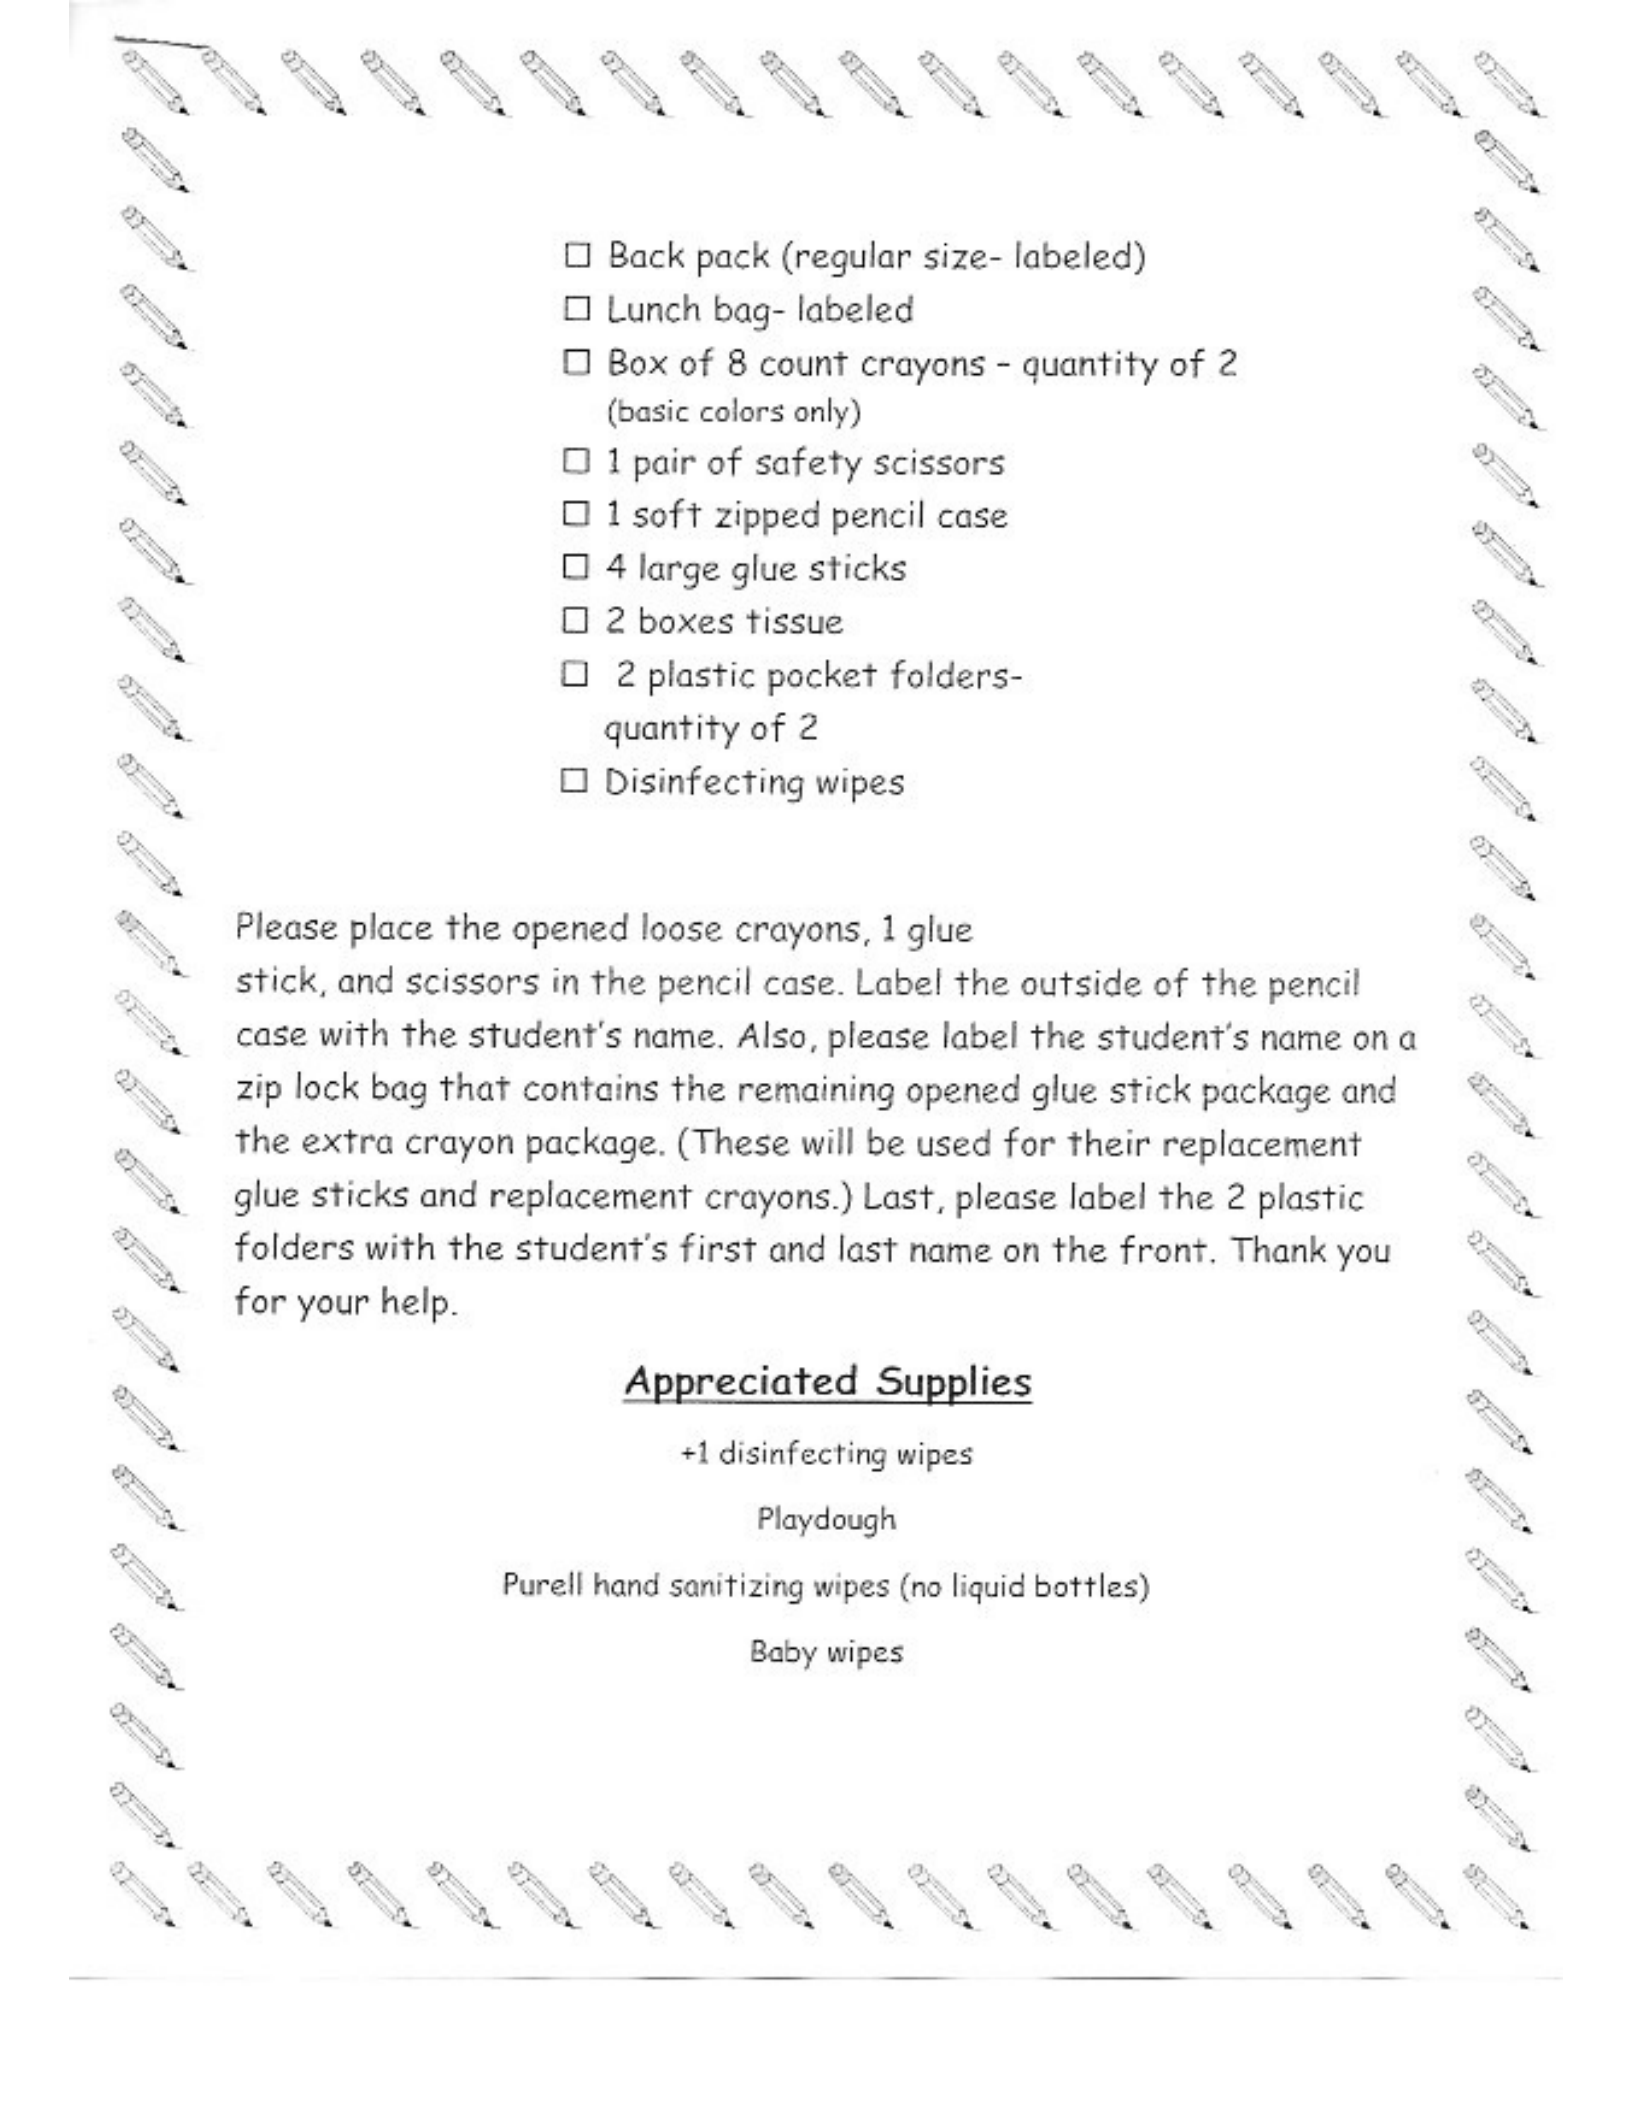

Subject: Science

Drink: Tea

Food: Spaghetti

Children's book: anything Mo Willems or Dr. Seuss
