

St Mary's School
Weekly Memo 9/9/22

Good afternoon:

What a great second week we had even if we had a little hiccup on Thursday. Thank you to all of you for responding quickly to our message to pick up. There was a main break in the area and as such we lost power. Having no power means no means of communication except for cell phones. The main reason for dismissing the students, however, was that when we lose electricity, we lose our fire alarm.

Attached are flyers that come home this week for our Funny for Funds Fundraiser on Saturday, October 15. One flyer is explaining the Comedy Fundraiser, one for Sponsoring the event and one is asking for baked goods. It is a wonderful evening full of lots of fun! Please consider joining us!

If you have not completed the one-time Student Attestation form at <https://forms.gle/ExHcRgU6frqzfSiV9> - please do so this weekend. Thank you.

Upcoming Events

Sunday, September 11 - Grandparents Day Celebration - Please join us for the 9:30 Mass and then back at the school gymnasium for coffee and pastry.

Monday, September 12 at 6:00 PM in the gymnasium - Open House for parents in all grades. This is the one meeting that we ask all parents to attend without the children.

Have a wonderful weekend!

Ms. Lepore
